Dear Ms. Speciale:

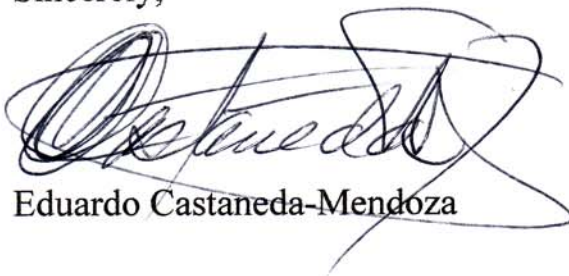

I want to express my thanks for your efficiency and professional management of our recent lease purchase transaction.

You explained everything clearly and stayed in close communication with me throughout the process. And because you closed the transaction so quickly, I had my money even sooner than I had expected.

I highly recommend your services to other people who want the best offer for their lease and the quickest way to get the cash!

It was a pleasure doing business with you. Thank you once again for your professionalism and great way of treating people.

Sincerely,

Eduardo Castaneda-Mendoza
