

JESSE K. THORPE, CCM
GENERAL MANAGER

May 10, 2006

To Whom It May Concern,

Recently Skyline Country Club concluded negotiation for the sale of cellular leases for sites on our property with Wireless Capital Partners, L.L.C.

In the course of the process, we found WCP to be forthright and open in their dealings. Payment came in a timely manner, without and delays.

I would highly recommend giving consideration to their services if it meets the needs of your organization.

Sincerely,

Jesse K. Thorpe, CCM
General Manager
