Dear Harry.

I am writing this letter to express my satisfaction with and appreciation for the job you did in helping me through the Lump Sum Payment program for our A T & T Wireless lease agreement. The materials were somewhat difficult to digest easily and you were able to make the numbers readily understandable to me. I was able to pass on information from our conversation to my Executive Committee, which facilitated our decision to enter into a Lump Sum Agreement. We were very pleased with the arrangement.

Also, I want to note that the process operated exactly as you had told me it would --- including the time involved from the signing of the paperwork to the electronic transfer of funds to our account. As a nonprofit organization, we are acutely aware of our cash flow, so your clarity helped us plan effectively.

Again, thank you.

Sincerely,
