RE Hope this is o.k. for you

Sean Burke: Lease Consultant

Wireless Capital Partners, LLC

To whom this may concern:

We had a lease on a cell tower and were offered a price from Wireless Capital Partners, LLC, to sell.

We were treated fairly and with much respect, and in a timely fashion, from Sean Burke.

Sean was always very pleasant to talk with on this matter.

We would recommend Wireless Capital to anyone else who may be thinking of selling a lease.

Sincerely,

Handwritten signature of Gerry Adams in cursive script.
