Dear Rob,

Thank you for all your hard work to secure this deal for Discovery Church. Due to recent downturns in our economy, our church, like many others, has experienced a financial deficit. The settlement you brokered for Discovery Church will ensure that we will be able to continue to minister to our community.

Prior to my arrival at Discovery Church I understand you brokered a prior deal with Discovery Church to purchase a lease. All parties involved at that time were highly pleased with the service given by you and your company during that transaction. Because of this, you came highly recommended by Mark Levesque, Discovery's Lead Pastor. Thank you again for ensuring this transaction was painless and expedited in a very timely manner. We will, in the future, direct anyone who does have these leases available for purchase to you and your company.

Thank you again for your diligence and hard work securing this transaction for Discovery Church.

Sincerely,
Kevin Derby,
Executive Pastor Discovery Church
