Dear Mr. Hwang:

We are very appreciative of the fact that WCP is constantly finding creative ways to provide capital in an environment where cash is hard to come by in these very difficult times.

As evidenced by our previous experience, WCP has once again delivered as promised and has made the process easy to understand and as convenient as we could hope.

These funds will help the Neighborhood House of North Richmond purchase equipment, furniture, and other items to start our café, which will serve our multi-faceted, multicultural hub of families of in need.

Warm Regards,
